CORE BANKING & PAYMENT FEATURES (1 TO 8 OF 25)

PART 1

1. Bank to Wallet

READY

Send & Pay > To Wallet (/payments/send?rail=wallet)

Transfers to MTN MoMo, Telecel Cash, AT Money & GCB Wallet with instant recipient validation.

2. Wallet to Bank

READY

Send & Pay > Wallet to Bank (/payments/send?rail=wallet-to-bank)

Pulls money from registered mobile money wallets directly into selected GCB bank account.

3. Airtime

READY

Send & Pay > Airtime (/payments/send?rail=airtime)

Automatic telco detection from phone prefix, quick denomination presets, and schedule option.

4. Buy Data Bundle

READY

Send & Pay > Data Bundle (/payments/send?rail=data)

Telco-specific bundle selection with live package volume, validity period, and auto-computed pricing.

5. Cardless Withdrawal

READY

Send & Pay > Cardless (/payments/send?rail=cardless)

Generates secure ATM paycode vouchers for Self or Third-Party cash pickup without a physical card.

6. ECG Prepaid

READY

Send & Pay > GCB Pay (/payments/send?rail=ecg)

Electricity top-up with meter validation, recharge token generation, and quick-save to beneficiaries.

7. Forex Rates

READY

Sidebar > More Services > FX rates (/fx-rates)

Daily published rates for GHS against major world currencies plus interactive conversion calculator.

8. GCB Virtual Cards

READY

Sidebar > Cards (/cards & /cards/[id])

Instant issuance, PAN & CVV reveal, freeze/unfreeze toggles, and daily/monthly spend limits.

Core Banking & Payment Features (Cont.)

Transfers, beneficiaries, accounts analytics, and standing order management.

PAYMENT RAILS & OPERATIONS (9 TO 16 OF 25) PART 2

9. Group Transfer

READY

[Send & Pay > To Group \(/payments/send?rail=group\)](/payments/send?rail=group)

Multi-recipient batch payments using saved groups managed in the Beneficiaries directory.

10. Manage Beneficiaries

READY

[Sidebar > Beneficiaries \(/beneficiaries\)](/beneficiaries)

Centralized directory across 3 tabs: People (Bank, MoMo, Proxy), Billers, and Payment Groups.

11. Mobile Money

READY

[Send & Pay > Wallet Rails \(/payments/send\)](/payments/send)

Integrated MoMo rail covering inward, outward, and beneficiary operations.

12. My Spends

READY

[Accounts Hub \(/accounts\)](/accounts)

Embedded analytics: interactive donut charts, category breakdowns, and time filters (7d, 30d, 3m, 12m).

13. PAPSS Payments

READY

[Send & Pay > PAPSS \(/payments/send?rail=papss\)](/payments/send?rail=papss)

Instant cross-border settlements across Africa (Nigeria, Kenya, South Africa, Egypt, etc.) with live FX.

14. Pay Bills

READY

[Send & Pay > GCB Pay \(/payments/send?rail=bill\)](/payments/send?rail=bill)

Utilities, Telecoms, Pay TV (DSTV/GOTV), School Fees, and Ghana.gov statutory payments.

15. Prepaid Card Top Up

READY

[Send & Pay \(/payments/send?rail=card-topup\)](/payments/send?rail=card-topup)

Instant funding from account balance into linked physical or virtual prepaid cards.

16. Proxy Pay

READY

[Send & Pay > To Proxy \(/payments/send?rail=proxy\)](/payments/send?rail=proxy)

Send money via Ghana Card number or phone aliases without requiring bank account numbers.

Account Requests, Tools & Next Milestone

Newly integrated request forms, directory locators, and settings controls.

COMPLETED REQUESTS & APP MODULES (17 TO 25 OF 25) PART 3

17. Bank Letter (Reference Letter)

READY

[Accounts > Request > Reference Letter \(/requests/reference-letter\)](#)

Embassy/Visa & solvency letters with certified QR security seal and digital PDF download.

18. Cheque Book Request

READY

[Accounts > Request > Cheque Book \(/requests/cheque-book\)](#)

Custom booklet sizing (25, 50, 100 leaves), crossing options, and branch pickup selection.

19. Scan & Pay (QR)

READY

[Send & Pay > Scan & Pay \(/payments/send?rail=qr\)](#)

Interactive QR camera viewfinder, merchant ID lookup, amount entry, and instant checkout.

20. Locate Us

READY

[Sidebar > Locate us \(/locate-us\)](#)

Nationwide directory of GCB branches, 24/7 ATMs, and cash deposit hubs with directions.

21. Settings

READY

[Top Header Dropdown & Sidebar \(/settings\)](#)

Profile identity, password change, Transaction PIN reset, MFA, SMS alerts, and display themes.

22. Standing Orders

READY

[Send & Pay > Standing Orders \(/payments/standing\)](#)

Recurring instruction management: setup new orders, pause, resume, and cancel schedules.

23. Statements

READY

[Accounts > \[Account\] > Statement \(/accounts/\[id\]/statement\)](#)

Custom date ranges, counterparty filters, in-browser preview table, and instant PDF/CSV export.

24. Transfers

READY

[Send & Pay > To Bank \(/payments/send?rail=bank\)](#)

Internal Own Account, Other GCB Account, Other Local Banks (ACH / Instant), and SWIFT Wire.

25. Responsive Web App Module

READY

[Entire Application Shell](#)

Slide-over mobile navigation drawer, fluid grids, and touch-optimized input surfaces across all screens.

ROADMAPMED FOR NEXT MILESTONE (PLACEHOLDERS)
